Summary

The fic that resulted from a boring, rainy day and me browsing through my old and unpublished stories.

Letters to Santa: The Gan Gan Galaxy Version

Skylark: I'm bored, it's raining, I'm too lazy to study for my tests, here's a fanfic.

Skyler: Study for your tests NOW!

Skylark: No.

Whitney: SkylarkOfTheMoon doesn't own MFB

I might make more of these if I get inspiration.

Dear Santa,

Hi. My name is Ginga. Even though I may seem too old for this kind of thing I still love doing it. I've been good all year and I saved the world once or twice. I even managed to get my long time rival, Ryuga, on the good side but he still refuses to admit it.

This year I just want to relax with my friends since things have been really hectic lately and I want to meet stronger Bladers to improve my skills.

Oh and P.S. I want a triple ,no make that, quintuple decker Beef cheeseburger with extra cheese and hold the mayo, lettuce and tomatoes. No pickles. I hate that stuff.

Yours truly,

Ginga Hagane

Dear Santa,

Hi. My name is Madoka Amano. This year I've been really good. I helped my friends save the world once or twice and I even did some charity work by fixing the beys of all the kids from the orphanage.

This year I want a new laptop and tools for bey maintenance. Add in a new outfit or two. Or maybe more.

Yours truly,

Madoka Amano

Dear Santa,

How's the weather in the North Pole?

I'm Masamune Kadoya. Also known as the No. 1 Blader in the whole world. Getting that title wasn't easy so I should probably get a bonus present, right? Along with this letter is a list of all the things I want this year but in case it won't fit in your sack just send me a first class ticket to America so I can visit Toby and Zeo who are doing fine by the way. And I also want 10, no, make that 15 boxes of my favorite orange, spicy sticks. Try one if you want. It tastes better than cookies and milk. No offense.

Sincerely, the No. 1 Blader,

Masamune Kadoya

Dear Santa,

My name is Yuu and can I just say that I am your biggest fan in the whole wide world! I want a job like yours cos' I think It's really cool. This one time I tried to drop down the chimney at Kenchi's house but all that happened is that I got stuck in it. Kenchi put some butter around the edges because he says it can help me be slippery so I can just slide down. Do you use butter when you get stuck? Anyway, when I did start to slide down Kenchi's hand accidentally got stuck in my shirt so we slid down together. Kenchi's mom was so angry at us cos' she just cleaned the living room and now it was covered in soot. And so were we. Good times, good times.

Speaking of chimney, how do you get into the houses of kids who don't have chimneys? Please include the answer along with a new launcher.

Your biggest fan,

Yuu Tendo

Santa Clause,

My name is Tsubasa Otori. I'm not really a fan of fantasy like you cos' I prefer true facts but recent events, a.k.a. Yuu forcing me to read articles about sightings, has convinced me otherwise.

Since it is impossible to give a gift that changes one's personality, even though a quieter Yuu might be nice, I'll just go with a physical one.

Just give me some bird seeds for Eagle and maybe a couple of new books.

Sincerely,

Tsubasa Otori

SOOOOOOOO BOOOOOOOOOOOOOOOOOOOOOOOOOOOOURED !
